JBM DB800 SERIES

Demountable Bed Code: JBDB809 (single) | JBDB812 (king single)

The JBDB800 series of demountable beds are to cater for residential, aged care and nursing facilities with its greatest advantage of being able to be delivered and set up in any location of a building by a single person and without the need of ramps or larger than normal openings.

When the bed is no longer needed, it is able to be stored away neatly with a small foot print using supplied brackets which also keeps the bed in a movable position.

Features:

- ◆ Electrically adjustable 4-section mattress support
- ◆ Available in standard 900mm width and king single / bariatric 1200mm widths
- ◆ Separable for transport and storage
- ◆ Lockout feature on handset

Standard Accessories:

- ◆ Aluminium/wood finished side rails
- ◆ Self-help pole
- ◆ Transport brackets

Optional Items:

- ◆ Foam mattress
- ◆ Powered alternating mattress
- ◆ Free standing IV Pole

BED PAN

SKU: JBBEDPAN

An economy bed pan which can also be used in most shower commodes with a pan carrier.

Features:

- ◆ Frontal opening
- ◆ Wide seating area
- ◆ Autoclavable for sanitising
- ◆ Moulded plastic construction
