## LEG LIFTER

**SKU: JBLLIFTER**

This flexible and strong reinforced webbing strap is simple and effective. The Leg Lifter extends the reach to assist leg lifting on or off a bed or wheelchair. Ideal for those with hip replacements, the upper loop slips over the hand, whilst the lower loop fits over the foot to give control.

**Features:**

- ◆ 600mm in length

## EASY REACHER

Lightweight and robust, this versatile new reacher is ideal for picking up everyday items around the home for those who have difficulty bending or reaching. Containing no skin traps, the comfortable four finger trigger action is suitable for those with a limited grip, whilst the 360 revolving head avoids the need to rotate the wrist, which may be painful for some users.

**Features:**

- ◆ Twin gripping jaws for excellent controlled grip
- ◆ Ideal for those with weak grip
- ◆ Ergonomic full trigger handle requires minimal finger extension
